Product Summary

Equator Polished Marble Tiles is a white colored marble, medium grain and uniform background with parallel grey and blueish colored veins that makes this white marble very unique.

Product Description

Equator Polished Marble Tiles 12x24

Equator Polished Marble Tiles is a white colored marble, medium grain and uniform background with parallel grey and blueish colored veins.

Uses: **Indoors** [only](#).]Residential and commercial with heavy and light traffic.

Applications: Excellent for kitchens and bathrooms. Walls, floors and counter tops.

Finish Options: Polished

Sealant is not required: Sealant can be applied if desired, or if the pavers will be installed on an area exposed to heavy entertainment as wine, food and other products can stain the marble.

Stone Tile US is a popular option for all your marble needs with an elegant smooth look and beautiful veining that's hard to beat. Some of our products have been featured in The Vanilla Ice Project, Seasons 4 through 6.

Sizes ranges from: 18x18, 24x24, 18x36, 35x35, 36x36, 12x24 and French Pattern. We offer select, premium and classic in thickness of 5/8", 3/4", and 1/2".

Marble blends with both classic and modern styles, it gives a high-class look that appeals to home buyers increasing a home's resale value. Our marble will accentuate the beauty of your home for years to come. Marble helps to keep a home cooler in the warmer months.

Due to the fact natural stones are products of nature variations in color, pattern, texture and veining are normal. These variations are part of their beauty and not flaws.

Depending on your computer screen, the item color on the picture might not be

exactly the same as you see on your screen. The size and color might not be the same as the item. The picture is for representational purposes only. We strongly encourage you to **order samples** to see the true color and texture for yourself. There is a 10% breakage rate which is industry standard. Please consider facts when placing an order.
