Product Summary

Gold Travertine Bullnose Honed Molding has dark yellow colors and a mixture or variation between light and dark gold. Stone tiles have natural variations therefore color may vary between tiles

Product Description

Gold Travertine Bullnose Honed Molding

Gold Travertine Bullnose Honed Molding has dark yellow colors and a mixture or variation between light and dark gold. Stone tiles have natural variations therefore color may vary between tiles.

-Bull nose is widely used for highlighting the top surrounding side of wall and to cap off any open ended tile edge. We offer gold, noce, white and Leonardo.

Molding size: 12" X 1.78 x 3/4"

Color: Gold Travertine

Used for: Indoor, Outdoor - High and Low traffic areas.

Ideal for applications: as wall accents in showers, bathrooms, kitchens, back splash, etc.

Stone Tile US moldings come with the convenience of easy installation and as always high quality. We offer: Travertine and marble, Bull-nose and Ogee.

Ogee is usually used for door frames, chair rail, floor base board, and sill trim/window frame, among many other uses and comes in white, ivory, gold, noce and botticino.

We also have a selection of pencil liners and channel wave moldings that come in warm rich colors. Stone Tile US materials provide finishes for indoor and outdoor areas. Made from quality, Turkish Marble and Travertine.
