## Product Description

Roman Blend Bullnose Travertine Pool Copings 12x24

Roman Blend Bullnose Travertine Pool Copings 12x24 in natural stone comes with the convenience of high quality and easy installation. They have a tumbled surface, and this makes them ideal for pool edging and stair threads. Square corners may not always be appropriate or safe especially in the pool area. So the rounded sides, act as an exposed edge and protector making it perfect for pool coping and steps. Pool Copings are perfect to use around the pool area, at Stone Tile US we offer copings in travertine and marble with sizes ranging from: 4x9, 6x12, 12x12, 12x24 to 16x14.
